

THE WEAVERS' COMPANY TEXTILE EDUCATION FUND

SUMMARY OF TEXTILE AWARDS 2015/2016

The Worshipful Company of Weavers is the oldest of the City of London Livery Companies. Its earliest Charter, in 1155, confirmed the Company's monopoly of its craft and rights of supervision of craftsmen in the Cities of London and Westminster, and the Borough of Southwark. With the growth of the Industrial Revolution the Weavers' Company gradually lost active control of its trade, although it has continued to keep in touch, both through its educational work and through its members, many of whom remain connected with the industry in one way or another.

In the 21st century, the Weavers' Company seeks to build on almost nine hundred years of involvement in the craft and manufacture of textiles, especially weaving, through its Textile Education Fund. The main aims and objectives of the Fund are to encourage excellence in all spheres of the United Kingdom woven textile industry by identifying, supporting and nurturing exceptional students during their training; to sponsor young talent working within the industry; supporting centres of excellence in textile education; and finally recognising and working with those who have made the most significant contribution to the industry.

The Weavers' Company Silver Medal

The Company's Silver Medal is awarded in recognition of an individual's contribution to the weaving industry in the field of technology, management, education or the craft of weaving. This year it has been awarded to *Mr John Maisey, former Head of Technical Management at Stephen Walters & Sons Ltd* in recognition of his outstanding achievement in the textile industry.

Awards to Educational Establishments

The principal aim of the Weavers' Company is to uphold and enhance its traditions, its fellowship and its assets, allowing them to benefit the weaving and textile industry, the chosen objectives of the Company's charities, and future generations of the Weavers' Company.

In 2007 it was agreed that a small number of colleges offering textile-related degree courses should be identified as centres of excellence to which the Company's grant giving would be directed. Visits were undertaken to a number of colleges across the UK and six were selected to form an initial core group: Membership of the core group is regularly reviewed and currently comprises Central St Martins College of Art & Design, Falmouth University, Heriot-Watt University, The University of Huddersfield, Loughborough University and Royal College Art.

Scholarships

The Company's scholarships were restricted to students at these pre-selected centres of excellence.

Falmouth University	£7,000
Heriot-Watt University	£2,000

The Stuart Hollander Scholarship 2015 was awarded to *Matilda Ryley-Hicks from Loughborough University*.
