

# **THE WEAVERS' COMPANY TEXTILE EDUCATION FUND**

## **SUMMARY OF TEXTILE AWARDS 2018/2019**

The Worshipful Company of Weavers is the oldest recorded of the City of London Livery Companies. Its earliest Charter, in 1155, confirmed the Company's monopoly of its craft and rights of supervision of craftsmen in the Cities of London and Westminster, and the Borough of Southwark. With the growth of the Industrial Revolution the Weavers' Company gradually lost active control of its trade, although it has continued to keep in touch, both through its educational work and through its members, many of whom remain connected with the industry in one way or another.

In the 21st century, the Weavers' Company seeks to build on almost nine hundred years of involvement in the craft and manufacture of textiles, especially weaving, through its Textile Education Fund. The main aims and objectives of the Fund are to encourage excellence in all spheres of the United Kingdom woven textile industry by identifying, supporting and nurturing exceptional students during their training; to sponsor young talent working within the industry; supporting centres of excellence in textile education; and finally recognising and working with those who have made the most significant contribution to the industry.

## **The Weavers' Company Silver Medal**

The Company's Silver Medal is awarded in recognition of an individual's contribution to the weaving industry in the field of technology, management, education or the craft of weaving. This year it has been awarded to *Ms Sheila-Mary Carruthers, of Carruthers Associates* in recognition of her outstanding contribution the field of textile design.

## **Awards to Educational Establishments**

The principal aim of the Weavers' Company is to uphold and enhance its traditions, its fellowship and its assets, allowing them to benefit the weaving and textile industry, the chosen objectives of the Company's charities, and future generations of the Weavers' Company.

In 2007 it was agreed that a small number of colleges offering textile-related degree courses should be identified as centres of excellence to which the Company's grant giving would be directed. Visits were undertaken to a number of colleges across the UK and six were selected to form an initial core group: Membership of the core group is regularly reviewed and currently comprises Falmouth University, Heriot-Watt University, The University of Huddersfield, Loughborough University, Nottingham Trent University and The Royal College Art.
